

Ain't that something - Solomon Burke

Lijkt een beetje op Sweet Goddess of Love and Beer

Each time I look out my window
But I see nothing what I'm supposed to see
I see people foolin' each other
I see lies, cheatin' and misery
Lookin' for something but it's cold inside

I'm talkin' about
Mmm ain't that something
Mmm ain't that a shame (2)

When I hear a sound in the distance
I know in the end there's nothing but pain
Some people hurtin' each other
They're lost and nobody gains
It don't come easy what you're lookin' for
what you see

I'm talkin'bout...
Mmm ain't that something
mmm don't you agree
Mmm ain't that something
mmm ain't that ashame (2)

B r i d g e : instr:

Ain't nothing you can do
Talk back the hands of time
They've been so bad but so long
Won't people comin'round town
So addicted
don't you want something more

I'm talkin'boutchorus....
